

RMN Video Review Procedure

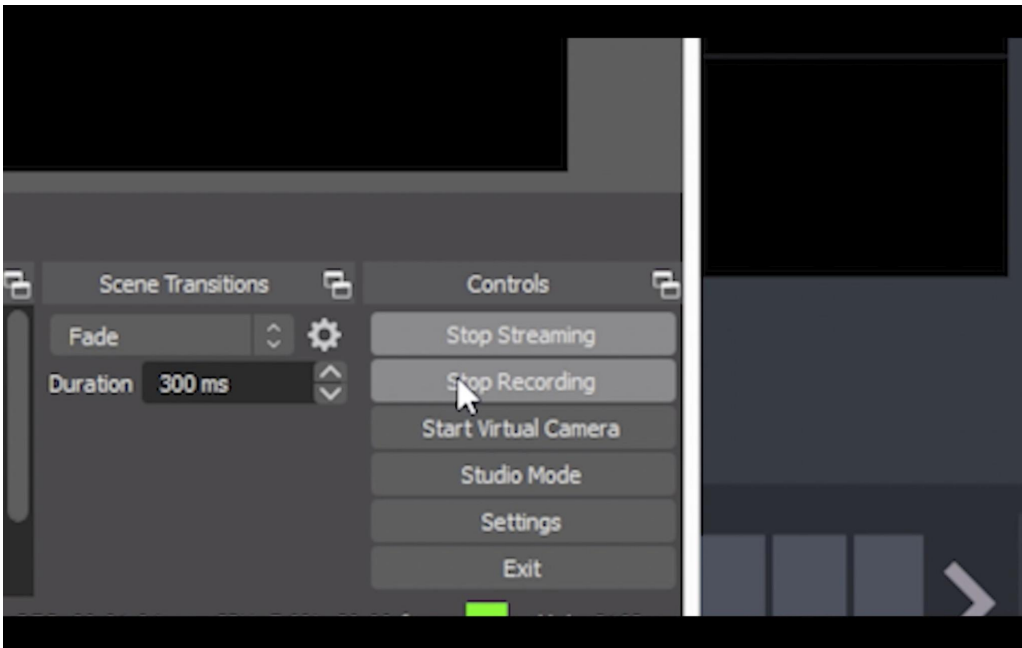

Click ESC key

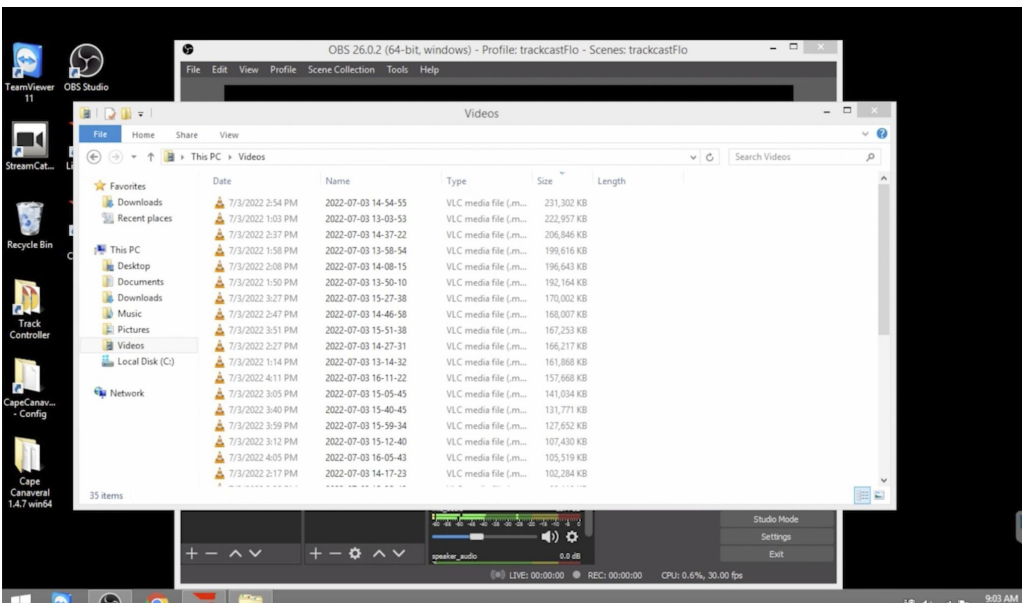

Open OBS Studio

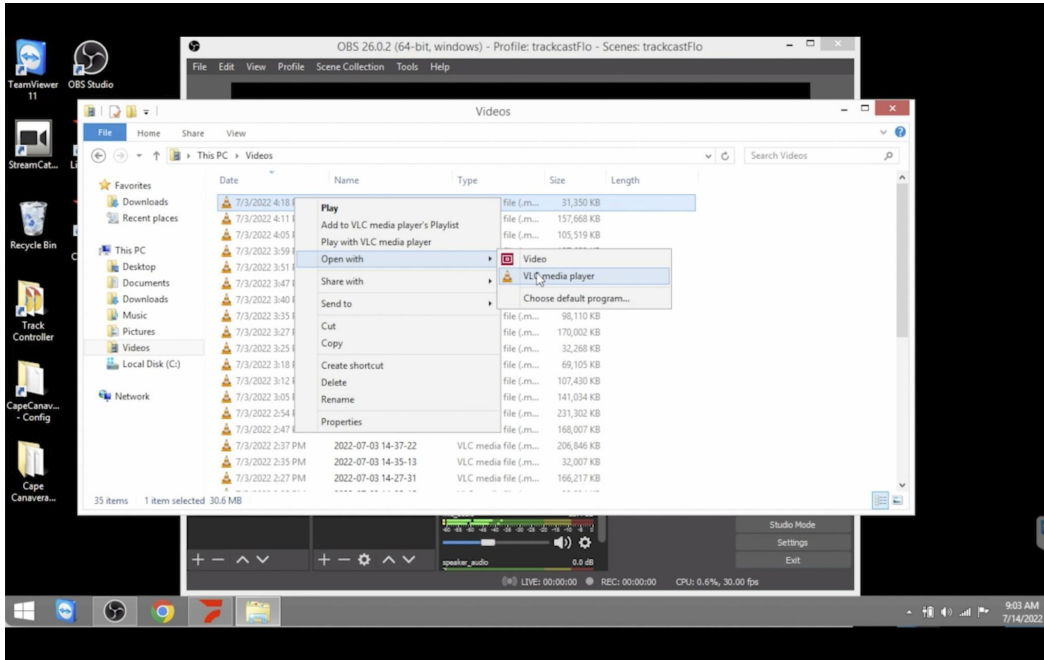

Click “Stop Recording”

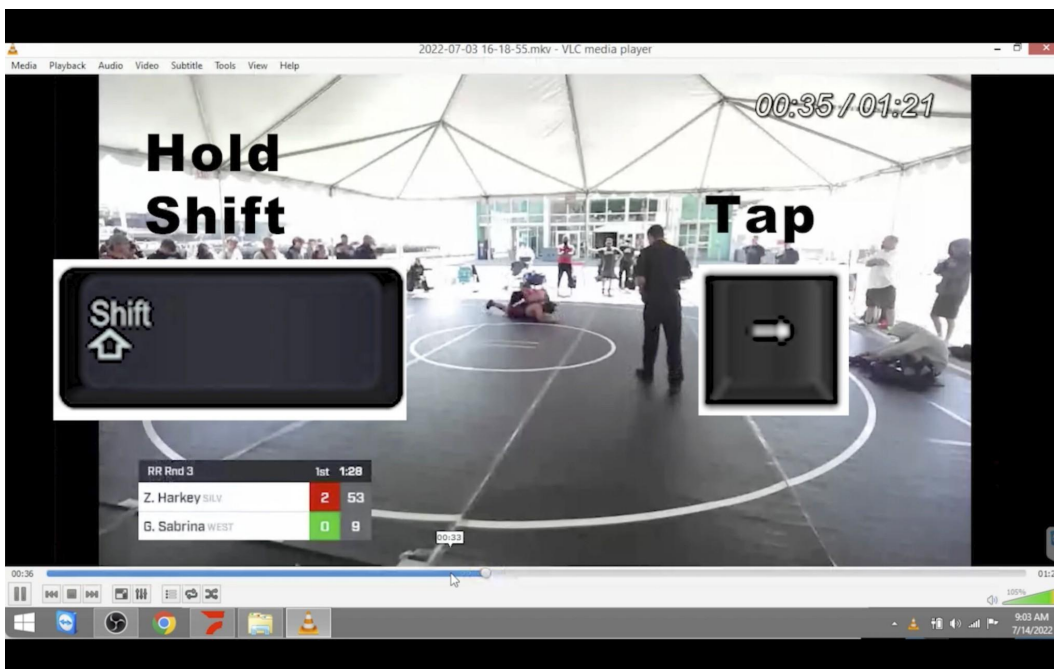

Minimize windows to show desktop
Click any “Folder” on desktop and Click “Videos” in right panel of folder Sort Files by “Date” by clicking “Date” tab

Right Click most recent file, click "Open with" and click "VLC media Player"

Click on the timeline bar to go to area needing review
To make smaller adjustments, Hold "Shift" and tap "Left Arrow" or "Right Arrow" on keyboard to skip backwards or forwards 5 Seconds

When finished Click “Start Recording” in OBS and fullscreen “Live Scorer”
